LLC Rainsystems
Kyiv
Ukraine

To whom it may concern

We hereby confirm that LLC Rainsystems are an authorised distributor in Ukraine of Hunter, Marley and Marley Alutec products.

LLC Rainsystems have been our partners in the Ukrainian market, since the company was formed. We have worked together, successfully, with their Directors and staff for over 15 years, so we can confirm that their knowledge of not just our systems, but the Ukrainian rainwater solution market, from the best product to manage rainwater from the building, to most current installation techniques and requirements, is second to none.

It is this long term partnership and depth of knowledge, that allows us to state any Ukrainian customer talking to LLC Rainsystems is talking directly to Hunter, Marley and Marley Alutec.

Signed for and on behalf of;
Hunter Plastics
